**INTERCOLOR: colour trend conference to be staged in Biella**

COORDINATED by [Color Coloris](#), the designers' association that represents Italy, the *S/S 2013 International Color Trends Forecasting Conference* is being organised in Biella, Italy, from 29 May to 1 June in the Cittadelarte building. It will be attended by delegations from 13 countries including China Japan and Thailand alongside ten European nations. Local textile companies are being invited to attend the opening Workshop and two leading fine wool weavers in the area, **Loro Piana** and **Cerruti**, will be at home to delegates during the conference.
